ONE-AND-DONE

NEW

Marson® Integra-Fuse™ IF-1 Rivet Installation Tool

Marson is making installation easier than ever with the new Marson® Integra-Fuse™ (IF-1) Installation Tool. It's the one-and-only tool needed for single-pull installations of all blind rivets and structural blind fasteners from 3/16" to 1/4"*. The secret to the IF-1's unique versatility is its stroke, the longest in the industry – 1.125". Regardless of fastener brand, size or material, the IF-1 gets it done.

FEATURES:

- One integral front end – no need to buy additional front end assemblies or switch them out during installation
- Simple change of the nose tip accommodates multiple diameters
- Capacity: 3/16" - 1/4"
- Stroke length: 1.125" (28.575 mm)
- Pulling force: 4,600 lbs. (20.5 kn)
- Weight: 4.8 lbs. (2.177 kg)

PART NO.: M39075

One tool. One pull. Consider it done.
